

Keep Collaborating Microsoft 365 for Business

Take teamwork to the next level

Microsoft 365 for Business brings together the productivity of Office 365 business apps with intelligent cloud services and advanced security. This integrated solution gives your team the freedom to take the office anywhere and continue collaborating using their favourite Microsoft Office applications and innovative communication tools.

Add Windows 10 Pro to better manage controls with automatic updates to securely protect your company's data across dispersed devices – all from one simple administrative console. It takes care of your technology needs so you can focus on your core business, with the peace of mind that your data is protected.

The Cloud is
intangible, but
your business
requirements
are not.

Intelligent cloud services meet advanced security

Powerful tools to support your business

Connect employees to the people, information, and content they need to improve productivity and transform collaboration.

Hub for teamwork

Digital workspaces enable teams and cross-functional teams to work together in a virtual central location.

Modern Business Voice with Cloud PBX

Teams Business Voice transforms your on-premise PBX into a fully integrated cloud-based communication solution.

Apps that keep you engaged

Connect with employees and staff via Sway Newsletter, SharePoint Sites, Yammer and Teams Live Events.

Super easy administration

Access and manage all your cloud-based services from a single user-friendly dashboard.

Always accessible

Get uninterrupted access to your cloud-based services and critical data with guaranteed 99.9% uptime.

Tried-and-trusted security

Keep your critical business data safe with Microsoft 365's built-in security features, including encryption, security protocols and operational security.

Pay for what you use

Avoid the expense of a big once-off purchase with subscription-based pricing. Only provide users with the tools they need, and scale when your business needs it. Cancel anytime.

We're here for you

Our world-class data centres and dedicated support team are located in key African geographies, so you're never far from the support you need to keep your business growing.

Keep Collaborating Microsoft 365 for Business

Choose the right solution for your business
